

Madalynn Gilpin

Honors Peer Mentor

Hello incoming freshmen! I am Madalynn Gilpin, feel free to call me Maddi (she/her/hers). I am an honors commuter student from Dracut, MA. On campus I have been to and volunteered at Mack Gives Back. I am currently an undergraduate student majoring in Public Health. In the future, I would like to become an epidemiologist and work with diseases and potentially make cures in a laboratory setting.

I was in your shoes just a year ago; I felt that having a peer mentor was helpful in my transition into college. Now I am here to help you all through your transition into college. I'm here as a resource so feel free to contact me if there are any questions or concerns.
