

Alyssa Granara

Honors Peer Mentor

Hello! My name is Alyssa Granara and I am going to be an incoming Sophomore this year. I am so excited to meet all of you and help you all with your transition to Merrimack College! Feel free to ask me any questions and congratulations on becoming a warrior!

I love to hangout with my friends and listen to music, especially country. My favorite food is pasta and my favorite color is pink. My favorite spot on campus is the Mcquade Library!
