Honors Peer Mentor

Hi there! My name is Izzy and I am so excited for you to start your journey at Merrimack! Starting college can feel like a tornado of conflicting emotions. I promise you, it is all normal and we are here for you!

I'm a total cat lady and sitcom lover! You can probably find me in the Honors Commons if I'm not in class. I'm big on embracing your personality and being authentically you! I can't wait to get to know you all and am always available to chat, just send me an email!
