

# Natalie Harwood

Hi everyone! My name is Natalie and I am a rising sophomore at Merrimack. I am so excited to be a Peer Mentor this year, and to welcome you to the Honors Program! My experience in the college transition has been so positive, and I would love to help everyone else feel the same way. I am always happy to help with this process, so feel free to reach out with any questions!!

In my free time, I love to spend time outside, especially at the beach. I also like to hang out with friends, listen to music, and go to events on campus. My favorite hobby is reading, and I am always working through a book series!
