

Kara Kilroy

Honors Peer Mentor

Hi everyone! My name is Kara Kilroy and I will be a Senior at Merrimack. I can't wait to meet everyone and be a friendly face for you all as you make your transition into college! I'd love to share any wisdom I've gained during my time here to show you just how awesome Merrimack and the Honors Program are!

I love to listen to music, be outdoors (the Pisces in me especially loves the beach!), go to the gym, and spend time doing anything with friends. In the future I am super excited to become a Physician Assistant!
