

Matthew Lanney

Honors Peer Mentor

Hello everyone! My name is Matthew Lanney and I am a rising senior at Merrimack College. I am very excited to meet all of you, and assist you in any way I can through your transition to Merrimack College!

My engineering interests lie in Aerospace, Thermodynamics, and Robotics. I am an avid saxophone player with MC Bands, and I am a Black Belt in Kempo karate. I also love to cook, and love hanging out with my two cats and puppy at home!
