

Maya Longo

Honors Peer Mentor

Hi everyone! My name is Maya and I am currently a rising Sophomore at Merrimack. I am so excited to meet you all and help you adjust to life at Merrimack. Please reach out with any and all questions you may have!

I love going to the gym, dancing, reading, and hanging out with my friends! Back home, I have a cat named, Finn. My favorite food is definitely tacos and I love the color pink.
