

Marissa Pacheco

Honors Peer Mentor

Hi everyone! My name is Marissa and I am currently a sophomore here. I love getting involved in all the different things Merrimack has to offer. I wish you all good luck with your first semester, and know that I'm always here for any questions you have!

My favorite show is Degrassi (I <3 Eli Goldsworthy) and I coincidentally named my cat after him (whoops). Anyway, I love listening to Taylor Swift, hanging out with my friends, and watching Degrassi ;) My passion in life is to become a pharmacist and help out my community. I also really love french fries.

Hometown: Lynn, MA
