

Mia Prendergast

Honors Peer Mentor

Hi!! My name is Mia and I'm so excited to meet you all and help you get acclimated to campus, as I was in your shoes just a year ago! I'm happy to answer any questions you may have and I can't wait for you to join our amazing community. I'm also on track to graduate early and would be happy to be a resource if you are interested in doing the same.

In my free time I love to go to the gym, walk outside, and lay on the beach. I love listening to music, especially Harry Styles and One Direction, and watching my favorite shows (One Tree Hill, Gilmore Girls, and Jersey Shore) on repeat. I am very passionate about health and wellness, and am extremely excited about my future as a Registered Dietitian!!
