

Jasmine Syriac

Honors Peer Mentor

Hi everyone! My name is Jasmine and I'm a rising sophomore at Merrimack! I'm a Health Science major with a minor in Biology. I'm super excited to meet you all in the fall and be a friendly face for you guys around campus!

I absolutely love to be outside (especially hiking and kayaking), and some of my other favorite things to do are listening to music and reading a good book! Feel free to reach out or email me with any questions if you have any :)
