

Ben Chase

Honors Peer Mentor

Hello! My name is Ben Chase and I am a rising Junior from Portsmouth, RI. I enjoy being a peer mentor because I love meeting new people. I am a friendly person and I look forward to guiding you in your first semester of college!

I run on the cross country and track team at Merrimack but besides that, I like to golf, fish, be outdoors, hangout with friends, and go on adventures. My favorite food is chicken wings, favorite candy is Reeses and I enjoy listening to music.
