Notes: This is a sample curriculum map. Students may progress toward graduation using alternative pathways. In addition, 'FC Core Requirement' signifies that the course is required as part of the Foundations and Connections Core - the College's general education program. Please be aware that all students must take six FC Core Requirement courses (FYS, C&S, HUM, RTS, SOSC, and STEM) and four FC Core Elective courses to satisfy the College's general education requirement.

Finance Majors may choose to complete an internship for academic credit, 4 credits FIN 4010, for 0 credits FIN 3001 or another class that will satisfy the GSB Experiential Requirement requirement. In some cases, an GSB Experiential Requirement course may also satisfy a Major Requirement or Elective.
