Megan Hayes

Honors Peer Mentor

Hi! My name is Meg and my pronouns are she/they. I am from Marshfield, MA, and I am majoring in Social Justice with a concentration in Law and Justice and a minor in Law, Ethics, and Society. I am a Multimedia Content Advisor for all of the social media accounts for the Honors Program. I am also a part of the new Law, Ethics, and Society Club and we are starting the Social Justice Club. I wanted to be an Honors Peer Mentor because I loved how my Peer Mentor made me feel so comfortable and made the transition to college so much easier. I love reading and movies, especially thriller and horror movies!
